Update

140 TLO's Rotating Bridges

(prev asset under opp)

- Command post heavy toll - do not want scales.

- Blocking critical infrastructure

- Emergency power - Substantive laws
(need declared State of emergency.)

① MTA opposes

② TLO C/PV exam

③ Procurement concerns

Q's
for
OA

mkz

Are you prepared to use military / Ramp to Amb Bridge

federal mandate - federal infrastructure - Bridges + tunnels.
ACT powers

Present a plan to secure our border -

Feb 9

AMAR Mfg 4:30 - 4:50

CME - 30 org a really panic!
- forced shut down shift, long term investment.

Want to work with you on this even if we have to
break the law, put on apple, chin + etc

Am Show concern

- Making our trade corridor into B.
- Reparation above our head.
- Courts vs Am - these are federal corridors
- law enforcement support we have

OA AG - ^{icem} Called him out, law enforced.

- this is a great step from prison of Ford.

Joe Rome - this blockade is illegal. + will suffer consequences.
we're united on this

What OA - you tell us a + we'll take request seriously

What OA - you tell us a + we'll take request seriously
lead is law enforcement - I agree to you. - others

has to continue to support law enforcement

QC - Checkpoints around city

OA - Safety ~~checks~~ ^{checks} fined those who violated
and I that was police not you

if you believe a trade corridor is responsibility
of the feds write me a letter.

Out - we'll do that
